

**BULLYING
STOPS HERE!**

What is Bullying?

“A person is bullied when he or she is exposed, repeatedly and over time, to negative actions on the part of one or more other persons, and he or she has difficulty defending him or herself.”

This definition includes three important components:

- **Bullying is aggressive behavior that involves unwanted, negative actions**
- **Bullying involves a pattern of behavior repeated over time**
- **Bullying involves an imbalance of power or strength**

At CP Prep School, we understand that young children are learning. Our job as educators and parents is to teach our children to respect others and not allow hitting and name calling that will affect another child. Warnings will be given and dismissal may be the end result if the behavior continues.
